

Your participants already use WhatsApp. Now their job search does too.

A career agent on any phone, in the participant's language, matched to real local openings.
Your program sees each completer's path to work and the cost of every placement.

PARTICIPANTS

Local jobs, their language

- WhatsApp, SMS, voice, or web on any phone
- Live local openings with pay and a link to apply
- Interview practice for a real role

PROGRAM STAFF

Time for who's stuck

- Who has gone quiet or missed interviews, and why
- Follow-up without a field visit
- Message a participant in one tap

DONORS

Outcomes you can report

- Employment, retention, and cost per placement
- Every figure traces back to the participants behind it
- One methodology across every country

Programs we serve

- Youth employment
- TVET and vocational training
- Livelihoods and inclusion
- Ministries of labor
- Donors and funders
- Multi-country programs
- Implementing partners
- Monitoring and evaluation
